Nancy,

Please convey my thanks and appreciation to Marisa Spencer, Stanley Georg and Kim Ryan for their assistance with preparations for early voting in the courtroom and for election day set up in the community center. This was my first experience as precinct judge and although I knew what needed to be done, having their assistance and support made my job a lot less stressful.

I would also like to thank your office staff for being so accommodating to all of our election workers during early voting. We appreciate the use of the City's facilities and hope we are not too much of a distraction when we are there.

You will see a lot of us next year as 2020 is a very busy election year.

Sincerely,

Marilyn Winters

Subject: GREAT JOB!
Importance: High

Nancy and Steve,

I know most people are quick to call out an issue or raise a concern when something goes wrong and not so quick to tell you when something goes right. This email relates to the job Public Works performed at the end of September 2019.

I want to send a personal note as the President of "The Forest of Garden Ridge" Homeowners Association to say "Thank you - Job Well Done" to your Public Works team.

Steven Steinmetz
Eric Lowman
Manuel Troncoso and
Brian Horne

This crew was responsible of moving 10+ tons of large boulders from the entry way to "The Forest of Garden Ridge" HOA to Paul Davis Park and to alternate locations within the HOA. Their attention to safety was exceeded only by their level of professionalism. Not only did they complete the task within the original time frame, they also took steps to ensure the grounds

around where their work was perform was left secure and did not present any hazards to the land owner.

Our city is very fortunate to have the above individuals representing not only Public Works, but our city as well.

Thank you -

Rod Chamberlain, HOA President

Mayor Thompson recommended City Council consider implementing the proposal in Georg Ranch first to determine the effectiveness and authorize City Administrator Nancy Cain to contract on behalf of the City with a cap of \$10,000 from the Wildlife Management Advisory Commission line item, which would give her authority to make the decision regarding timing and implementing these services in Trophy Oaks as well.

The Capital Improvements Advisory Committee is a Committee that is established by Chapter 395 of the Texas Local Government Code. It is composed of five (5) members of which 40% of the membership (2 members) must be from the real estate, development, or building industries. For the three (3) remaining positions the City has historically appointed one member from the Planning and Zoning Commission, one from the Water Commission and one citizen. All members must be residents of the City of Garden Ridge.

The Committee reviews and makes recommendations to the City Council on adoption of master plans and associated impact fees for the Wastewater Master Plan, Transportation Master Plan, and Water Master Plan.

The Committee meets as needed when master plans are recommended or need to be updated. During the Committee's review of master plans there is not a set time limit for review since the documents can be rather complex and the Committee needs to thoroughly understand and review them in order to make a recommendation to City Council concerning the plan and associated impact fees. The City Engineer will present and explain the plan during the Committee's first meeting and is available to meet with the Committee as needed during the review/study of Master Plans. The City Administrator and Department Head for the respective plan attend the meetings to assist with review and questions.

The Committee sets its own meeting dates and times which do not interfere with City Council or other Commission meetings. Each meeting typically last 2 to 3 hours. They also select a Chair and Vice Chair.

The City Council has adopted Procedural Rules for the Capital Improvements Advisory Committee, which are attached.

It is proposed that the following citizens be appointed to the Capital Improvements Advisory Committee:

Jesse Valdez – Water Commission

Kerim Jacaman – Planning and Zoning Commission

Walter Lamar – Building Industry

Ohm Culpepper – Real Estate Industry

Armando Diaz - Citizen

APPENDIX "F"

WATER LEAK ADJUSTMENT REQUEST

To Be Completed By Customer

Name: R. Keith Sunday

Phone: 210-843-2392

Address: 21319 Forest Waters Cir

Billing Period: 8/22/19 - 8/22/19

Bill Amount: 1,835.72

Please explain circumstances of the higher bill: I had a major slab leak in my home that was leaking out the far side of the house in a place not noticed. We heard water running on 9/2 when it shouldn't have been and turned off the water until a Plumber could assess. The plumber came the next day and worked all week to stop the leak. The bill showed up the next day and the usage is a direct result of this leak.

Do you suspect criminal activity?

Circle:

YES

NO

If yes, please submit a copy of your Police Report.

What corrective measures/repairs have been made? Please provide documentation/receipts.

A certified plumber has fixed the leak and put the house under a pressure test to verify there are no other issues. (Bill attached)

What are you specifically requesting of the Water Department? A significant reduction on my bill back to a reasonable amount since this leak was undetectable, but was dealt with urgently once discovered.

Dear Customer,

Here is the laptop data we collected from your meter. While reviewing the data you will see the Dates, Time, Max flow and Consumption for each hour in that order from left to right. Highlighted in red is most likely irrigation or some form of timed water use. I do want to make you aware of a possible leak you have that is in blue. This does not mean that all of the highlighted numbers in blue are a leak. Feel free to email me if you have any questions.

Dallas Cloud,

After reviewing your leak adjustment case we were unable to determine that you had a leak due to the lack of a laptop reading for the dates mentioned in your request. You have the option to appear before the water commission and explain your case. Please let me know if this is what you want to do.

Thank You,

City of Garden Ridge

"A way of life, not just a place to live"

Dear Craig,

On behalf of the City of Garden Ridge Wildlife Management Advisory Commission and the City Council, we would like to thank you and commend you for your support over the last two years. Your educational classes and support have helped the City with our mission of promoting wildlife within our City. Your assistance with developing protocols for deer counts, along with providing one-on-one training and support, went well above and beyond! In addition, we appreciate and admire your patience and good humor in a sometimes-difficult situation.

We, both the Commission and the City Council, wish you all the best in your new endeavors!

Sincerely,
The City of Garden Ridge

Market Manager Report

NOVEMBER MARKET SUMMARY

City Hall parking lot was filled to capacity with a waiting list of additional vendors that could not fit. Counted at least 1,000 customers in attendance, plus 50 vendors and their staff. Activities included live music, games, a food drive, photo op, crafts for kids, and face painting. Our non-profit was Wreaths Across America, who profited around \$500 for their cause. Our craft booth was supported by a business who was also raising funds for Mrs. Haynes, a local teacher at GRES who has cancer. They raised around \$700 for her. Our city-food drive contributing food items and donations to RACAP collected several bags of food to donate, along with over \$120 in monetary donations. Much praise has been given to the city and market during and following the event. Vendor responses are being collected for retention and continued market success.

NOVEMBER MARKETING RECAP

We purchased 2 new banners and 5-yard signs for marketing for this month, which should prove to help with local marketing. Garden Ridge Market Days Facebook page now has 356 Follows and 341 Likes. 81.1K people reached and 3.8K people responded to attending or being interested in attending the event!

DECEMBER HIGHLIGHTS

As of November 25th, 2.5K people marked as interested on Facebook. Vendors will be at capacity again with wide variety of artisan, craft and food options. Live music by Koehler Lane, face painting, crafts, magician, and photo op with OLAF are planned. Potential for Hill Country Ponies to attend with Christmas themed ponies.
