3. To seek legal advice regarding requirements for Comal County Emergency Services and authority to contract for such services through an interlocal agreement.
4. A matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with Texas Government Code Chapter 551 – city obligations/duties and liability regarding certain internal personnel investigation - police department complaint.

16. Business Items

The City Council will reconvene into Regular Session upon conclusion of the Executive Session and may recall any item posted for Executive Session for action, as necessary.

17. Adjournment

AGENDA NOTICES:

Decorum Required: Any disruptive behavior, including shouting or derogatory statements or comments may be ruled out of order by the Presiding Officer. Continuation of this type of behavior could result in a request by the Presiding Officer that the individual leave the meeting, and if refused, an order of removal.

Action by Council Authorized: The Council may vote or act upon any item within this Agenda. The Council reserves the right to adjourn into closed session at any time during the course of this meeting to discuss any of the matters listed above, as authorized by Title 5, Chapter 551, of the Texas Government Code.

Executive Sessions Authorized: This agenda has been reviewed and approved by the City's legal counsel and the presence of any subject in any Executive Session portion of the agenda constitutes a written interpretation of Texas Government Code Chapter 551 by legal counsel for the governmental body and constitutes an opinion by the attorney that the items discussed therein may be legally discussed in the closed portion of the meeting considering available opinions of a court of record and opinions of the Texas Attorney General known to the attorney. This provision has been added to this agenda with the intent to meet all elements necessary to satisfy Texas Government Code Chapter 551.144(c) and the meeting is conducted by all participants in reliance on this opinion.

Attendance By Other Elected or Appointed Officials: It is anticipated that members of the other city boards, commissions and/or committees may attend the meeting in numbers that may constitute a quorum of the other city boards, commissions and/or committees. Notice is hereby given that the meeting, to the extent required by law, is also noticed as a meeting of the City Council, other boards, commissions and/or committees of the City, whose members may be in attendance. The members of the boards, commissions and/or committees may participate in discussions on the same items listed on the agenda, which occur at the meeting, but no action will be taken by such in attendance unless such item and action are specifically provided for on an agenda for that board, commission or committee subject to the Texas Open Meetings Act.

This is to certify that I, Marisa Spencer, posted this Agenda at 11:00 a.m. on June 25, 2020, on the bulletin board located at the entrance to the Garden Ridge City Hall, 9400 Municipal Parkway, Garden Ridge, Texas.

6. Staff Reports

The following items are for discussion, consideration, and action.

a) City Administrator Monthly Activity Report.

Nancy Cain, City Administrator, spoke regarding preparing the budget and tax rate calendar and requested Finance/HR Director Karen Ford and City Secretary Marisa Spencer to provide City Council with an update regarding continuity of operations within their respective departments.

Karen Ford, Finance/HR, spoke regarding revenue losses, additional expenditures, and the budgetary impact due to COVID-19.

Marisa Spencer, City Secretary, spoke regarding precautionary public health measures implemented at City Hall and continuity of operations related to the Administrative Department. She stated staff remains available by phone and email during regular business hours with in-person interactions available from 9am-12pm as well as by appointment. She spoke regarding implementing additional payment features to enhance the City's online services and installing additional equipment to allow for telephonic and videoconference meetings.

b) Police Department Monthly Activity Report.

Chief Eberhardt reviewed the monthly activity report and spoke regarding continuity of operations related to the Police Department. He thanked Jeff Kelley, Comal County Emergency Management Coordinator, for his support throughout the public health emergency.

Mayor Thompson and City Council expressed their support and appreciation of the Police Department, thanking the department for their leadership and continued efforts to ensure the safety of the community.

c) Public Works Monthly Activity Report.

Steven Steinmetz, Public Works Director, reviewed the monthly activity report and spoke regarding continuity of operations related to the Public Works Department. He provided City Council with details regarding recent instances of illegal dumping and addressed questions from Councilmembers.

Mayor Thompson recognized and thanked the Public Works Department for their continued cleaning and sanitation efforts.

d) Water Department Monthly Activity Report.

Jacob Parsons, Water Manager, reviewed the monthly activity report and spoke regarding continuity of operations related to the Water Department. He provided City Council with an update on working with the Water Commission on infrastructure projects and addressed questions from Councilmembers.

e) Library Monthly Activity Report.

Linda Crosland, Librarian, reviewed the monthly activity report and spoke regarding continuity of operations related to the Library. She spoke regarding efforts to assist kids in beating the summer slide, including the Summer Reading Event scheduled for Friday, June 12th.

Councilmember Bower spoke regarding looking into purchasing a banner to place on the corner of FM 3009 and Municipal Parkway advertising the Library being open.

7. City Engineer Projects Status Reports

Pat Lackey, City Engineer, reviewed the Trihydro Corporation – Engineering Report for June 2020 and addressed questions from Councilmembers. The topics of discussion included the following items: FM 2252 TxDOT Project and FM 2252 Wastewater Project.

8. City Commission and Committee Reports/Recommendations/Possible Actions

a) Planning and Zoning Commission:

1. Receive monthly activity update as applicable.

Chair Dr. Miller provided City Council with an update on the technical committee reviewing the draft zoning ordinance and addressed questions from Councilmembers.

b) Quarry Commission:

1. Receive monthly activity update as applicable.

Mayor Thompson stated the Quarry Commission did not meet since the last City Council meeting and did not have a report.

c) Water Commission:

1. Request for water leak adjustment for 8150 Ridge North for the billing period of December 20, 2019 – January 21, 2020.

1.1. Receive recommendation from the Water Commission.

Chair Valdez provided City Council with a summary of the Commission's discussion regarding this request. He stated the Commission recommends the Water Manager's proposal of a credit in the amount of \$1,022.84 for approval by City Council, adding the amount is based on calculating the cost of water lost at the lowest tier rate.

1.2. Take action on recommendation.

Motion: A motion was made by Councilmember Lantzy, seconded by Mayor Pro-Tem McCaw, to approve the Water Commission's recommendation for request for water leak adjustment for 8150 Ridge North for the billing period of December 20, 2019 – January 21, 2020, and credit the account in the amount of \$1,022.84. The City Council voted three (3) for and none (0) opposed. The motion carried unanimously.

2. Request for credit for 20525 FM 3009 for the past due penalties from the billing period of October 16, 2019 – November 27, 2019.

2.1. Receive recommendation from the Water Commission.

Chair Valdez provided City Council with a summary of the Commission's discussion regarding this request. He stated the Commission recommends the Water Manager's proposal of a credit based on the leak adjustment in the amount of \$735.71 for approval by City Council; however, he stated it was later determined that the amount did not include the \$55.58 water bill received for November, thus lowering the credit to \$730.15.

2.2. Take action on recommendation.

Motion: A motion was made by Mayor Pro-Tem McCaw, seconded by Councilmember Lantzy, to approve the Water Commission's recommendation for request for credit for 20525 FM 3009 for the past due penalties from the billing period of October 16, 2019 – November 27, 2019, and credit the account in the amount of \$730.15. The City Council voted two (2) for and one (1) opposed (Councilmember Bower). The motion passed by a vote of 2-1.

3. Receive monthly activity update as applicable.

Chair Valdez provided City Council with an update on topics discussed at the Commission's May meeting. He spoke regarding Commissioner activities and projects, e-billing, ACH draft, and Grapevine articles. He thanked Assistant City Secretary Kat Balbi for her continued communication efforts in the monthly Grapevine.

Mayor Thompson and City Council thanked Chair Valdez and the Water Commission for their expertise, hard work, preparation, and dedication in their projects as well as during leak adjustment requests.

d) Wildlife Management Advisory Commission:

1. Take action on the resignation of Commissioner Cynthia Segovia.

Mayor Thompson stated acting Chair Krawczynski could not attend the meeting; however, Mayor Thompson spoke to him in advance regarding this item. Mayor Thompson stated since the resignation submitted by Cynthia Segovia stated it was effectively immediately, acting Chair Krawczynski expressed his desire to streamline the process in this case so the Commission could begin filling their vacancy.

Motion: A motion was made by Councilmember Bower, seconded by Mayor Pro-Tem McCaw, to accept the resignation of Commissioner Cynthia Segovia with regret. The City Council voted three (3) for and none (0) opposed. The motion carried unanimously.

Mayor Thompson and City Council spoke regarding Ms. Segovia's leadership and dedication, thanking Ms. Segovia for her motivation while volunteering to serve on the Wildlife Management Advisory Commission.

2. Receive monthly activity update as applicable.

Mayor Thompson stated the Commission did not have additional matters to report at this time.

e) Parks Committee:

1. July 4th Celebration.

1.1. Discuss and take action on designating a Grand Marshal for the parade.

Rod Chamberlain, Parks Committee, spoke regarding designating a Grand Marshal for the July 4th parade each year with this year being the first year, subject to authorization by City Council.

The City Council agreed by consensus to designate a Grand Marshal for the July 4th parade. Rod Chamberlain, Parks Committee, spoke regarding designating Brigadier General Charles "Chuck" Elia, USA (Ret) as Grand Marshal for the City of Garden Ridge.

Motion: A motion was made by Councilmember Bower, seconded by Mayor Pro-Tem McCaw, to designate General Charles "Chuck" Elia as the Grand Marshal for July 4, 2020, City of Garden Ridge Parade. The City Council voted three (3) for and none (0) opposed. The motion carried unanimously.

2. Receive monthly activity update as applicable.

Rod Chamberlain, Parks Committee, provided City Council with an update on current and future Parks Committee efforts and projects. He spoke regarding landscaping around the new pavilion at Paul Davis Park, working on revisions to Ordinance No. 24, and creating a written process for dedications and designations. He further stated that any written process would also include procedures for vetting a person and bringing recommendations to City Council for action.

Rod Chamberlain, Parks Committee, stated the Parks Committee was not awarded the Texas Parks and Wildlife Department grant and thanked Councilmember Swint for submitting the grant application and providing for the Parks Committee to be a candidate for future grants.

f) Volunteer Garden Ridge!

1. Receive monthly activity update as applicable.

Mayor Thompson spoke regarding Library volunteers and volunteers assisting the Administrative Department, stating *Volunteer Garden Ridge!* reported nearly 100 hours for the month of May, despite the necessary COVID-19 restrictions.

9. Approvals/Authorizations

The following items are for discussion, consideration, and action.

a) COVID-19.

1. Community Blood Drive sponsored by the City of Garden Ridge and the Garden Ridge Lions.

Mayor Thompson spoke regarding the Community Blood Drive sponsored by the City of Garden Ridge and the Garden Ridge Lions taking place at the Community and Event Center on Saturday June 13th from 9am-3pm. He stated donations are by appointment only to control donor flow, maintain social distance, and allow for proper sanitation protocols. He also stated that blood donations will be tested for the COVID-19 antibody and donors will receive gifts as well as a chance to receive a 2-year pre-paid lease on a 2020 Ford Mustang.

2. Discuss status, updates, response, and matters related to the COVID-19 Virus.

Mayor Thompson provided City Council with an update on the status and actions taken at the federal, state, and local level in response to COVID-19. He spoke regarding the increased testing related to COVID-19 and continuity of operations related to City parks and the Community and Event Center. Mayor Thompson and City Council thanked City staff for their hard work navigating through these unprecedented times.

The City Council discussed the annual 4th of July parade and celebration event traditionally held at Paul Davis Park. The City Council agreed by consensus to conduct the 2020 celebration in a manner that is most appropriate at the time for ensuring public health and safety due to COVID-19.

3. Take possible action on matters related to the COVID-19 Virus, if needed.

No action taken.

10. Updates

a) City Administrator Reports.

1. Update on Shred Event.

Nancy Cain, City Administrator, announced the Shred Event has been rescheduled to Saturday, June 13th from 10am-1pm in the City Hall parking lot.

2. Update on Oak Wilt.

Steven Steinmetz, Public Works Director, provided City Council with an update on Oak Wilt within the City. He spoke regarding discussions with Texas A&M Forest Service Biologist Mr. Edmonson and the affected property owners as well as possible containment and treatment efforts, including trenching.

b) Mayor's Projects.

1. Communication Report.

Mayor Thompson spoke regarding the 2020 Census, stating the response rate for City of Garden Ridge is currently ranked as #2 in Texas and on average, the City of Garden Ridge has remained ranked in the top 100 of cities in the nation.

Mayor Thompson spoke regarding options for relocating the City sign on FM 2252 as well as looking into options regarding electronic signage within the City.

Mayor Thompson requested City Secretary Marisa Spencer to discuss communication efforts related to the Comal County primary runoff election. Marisa Spencer, City Secretary, spoke regarding advertising the dates and times for Early Voting on the City's website, City's sign, front doors at City Hall, monthly calendar, monthly grapevine, and social media sites. She stated the location for both Early Voting and Election Day will be the Community and Event Center Bluebonnet Room.

2. Citizen Contact Report.

Mayor Thompson spoke regarding an incident where suspected theft of a package turned out to be a neighbor picking up their food delivery after it was delivered to the wrong address. Chief Eberhardt discussed how this incident led to new residents meeting their neighbors.

Mayor Thompson spoke regarding an email sent to City Council from a resident claiming the Police Department was withholding property from him. He stated due to the resident being unable to provide substantial identifying information regarding the property, the Police Department could not release it until they confirmed ownership. He further stated that once ownership was confirmed, the Police Department notified the resident and arranged for the property to be released to the owner.

Mayor Thompson spoke regarding a citizen contacting him regarding the process and operation of contacting an officer through Comal County dispatch.

11. Discussion of Future Agenda Items

None at this time.

12. Citizen Comment Period – limited to 20 minutes total

MEMORANDUM

TO: Bexar Metro 9-1-1 Network Participating Jurisdictions

FROM: Brett M. Schneider, Executive Director

SUBJECT: Fiscal Year 2021 *Proposed* Budget

DATE: May 26, 2020

Enclosed for your review and comment is the Bexar Metro 9-1-1 Network's *Proposed* Fiscal Year 2021 Budget. The Bexar Metro Board approved this *proposed* budget at their regularly scheduled and properly noticed meeting held on May 21, 2020.

Please address your written comments to the Chairman of the Board at the address on the bottom of this memorandum. The Bexar Metro Board will review your comments, make changes as necessary, and adopt the Fiscal Year 2021 Budget at the next board meeting to be held in August. Please forward your comments to ensure arrival at the Bexar Metro office not later than 4:00 p.m. on July 31, 2020.

Enclosed is a post card to facilitate your response. The contents of this post card are consistent with the provisions of the Texas Health & Safety Code, Chapter 772.309, which enables each participating jurisdiction to either approve or disapprove the Bexar Metro Fiscal Year 2021 Budget. Should a jurisdiction choose to take no action, budget approval is by operation of law on the sixty-first day following the jurisdiction's receipt of the proposed budget.

Copies of our Fiscal Year 2019 Independent Auditor's Report and Annual Report are also enclosed for your review.

Your continued support of our mission to provide state-of-art emergency 9-1-1 services to the citizens of Bexar, Comal, and Guadalupe Counties is appreciated. Please do not hesitate to contact me at 210-408-3911 or via email at brett@bexarmetro.org if you have questions or need additional information.

Respectfully,

Brett M. Schneider
Executive Director

BEXAR METRO 9-1-1 NETWORK

FISCAL YEAR 2021

PROPOSED

FINANCIAL PLAN AND BUDGET

May 21, 2020

PURPOSE

The purpose of the Fiscal Year 2021 Budget and Financial Plan is to obtain consensus approval of Bexar Metro 9-1-1 Network's (Bexar Metro or District) Fiscal Year 2021 (FY2021) operational and financial plans by the District's board of directors and the governing bodies of its forty (40) participating jurisdictions; and provide the continuing operational and fiscal authority necessary for the staff to aggressively establish and maintain all elements necessary to provide quality emergency call delivery via a highly survivable and resilient 9-1-1 system.

AUTHORITY

The authority for Bexar Metro is the Texas Health and Safety Code, Chapter 772, Subchapter D, Section 772.301—formerly Vernon's Annotated Civil Statutes Article 1432e, as approved by the Texas 69th Regular Legislative Session in Senate Bill 750 on May 21, 1985; and subsequently approved by a local election on January 17, 1987. This legislation's purpose is to enable the provision of affordable, high quality, countywide Enhanced 9-1-1 service through the establishment of emergency communication districts.

MANAGEMENT

A governing board of directors, appointed according to criteria in the enabling legislation, establishes policy and provides oversight of the District. The board members and their appointing authority include:

<u>Member</u>	<u>Authority</u>
James C. Hasslocher (Chair)	Bexar County
Stephen R. Schneider	Bexar County
Sherman Krause	Comal County
Dudley Wait	Guadalupe County
Heberto Gutierrez	City of San Antonio
Bill McManus	City of San Antonio
Cathy C. Talcott	City of New Braunfels
Suzanne de Leon	Member at Large
Principal Service Provider (Non-Voting)	Vacant

To implement board policy and to manage the day-to-day operations, the board of directors appointed Brett M. Schneider as Bexar Metro's Executive Director.

MISSION STATEMENT

The District's mission is to deploy and maintain a state-of-the-art 9-1-1 emergency communication system that enables citizens in distress to quickly communicate their request for police, fire, or emergency medical assistance; and to ensure member jurisdictions have the appropriate 9-1-1 tools necessary to efficiently and accurately receive and process those requests.

RESPONSIBILITY

To successfully accomplish the mission, Bexar Metro must deploy and manage a technology neutral network that routes all 9-1-1 requests to the appropriate answering and responding jurisdiction; create and maintain a time-sensitive, highly accurate database that displays the location, callback number, and owner's name of the specific instrument used to call 9-1-1; procure, install, and maintain the specialized 9-1-1 equipment utilized by each authorized answering and responding jurisdiction; coordinate with municipal and jurisdictional addressing authorities to ensure the database contains accurate, standardized, and logical location information to ensure each citizen is easily and quickly locatable during times of critical emergencies; and construct, deploy, and maintain a spatially accurate geographic digital map to support location determination technologies and enhance computer aided dispatch systems. Bexar Metro is also responsible for providing effective network and facility backup solutions for nineteen (19) primary and two (2) secondary Emergency Communication Centers (ECCs) that may be required to evacuate their local facility in the event of a natural or manmade disaster.

PARTICIPATING JURISDICTIONS

EMERGENCY COMMUNICATION CENTERS

REVENUE

The District's source of revenue is the 9-1-1 emergency service fee applied to specified telephone access lines located in Bexar, Comal, and Guadalupe Counties. The Texas Health and Safety Code, Chapter 772, Section 772.314, authorizes the board to impose a 9-1-1 emergency service fee not exceeding six percent of the monthly base rate charged by the principal service supplier. The fee applies to all residential lines and up to the first one hundred business lines at one location. The fee does not apply to state and federal lines. Each year the board calculates the amount of the fee in conjunction with development and approval of the annual budget. By law, the fee has uniform application in each participating jurisdiction and must generate revenue sufficient to match current and projected operational expenses directly related to the District's mission and responsibilities, as well as providing reasonable reserves for contingencies and equipment replacement.

The board of directors initially established the emergency service fee on March 6, 1987, and it remained unchanged until 2018. On July 25, 2018, the board of directors approved the following service fee schedule imposed on each local access line, or equivalent, effective October 1, 2018:

Residential Lines	\$ 0.50
Business Lines	\$ 1.00

In addition to fees assessed on wireline telephones, Bexar Metro also receives an emergency service fee from each wireless access line within its jurisdiction. This monthly fee, set by Texas law at \$0.50 per line, recognizes that the wireless telephone is a link to 9-1-1 service and a wireless telephone user should therefore share a portion of the financial burden for provisioning the network. It also is in recognition of the cost recovery mechanism required to defray a fair and reasonable portion of the

network infrastructure expense the wireless providers incur in meeting the federal mandate for wireless Enhanced 9-1-1.

Total anticipated revenues for FY2021 are projected to decrease by 5.78 percent to \$16,083,320 when compared to the previous year. This decrease is further delineated in further budget discussion to follow. Revenue from the wireless service fee accounts for 70.54 percent of total income. Wireline service fee revenue, comprised of traditional incumbent wireline and Voice over Internet Protocol (VOIP) services, accounts for 23.11 percent of total revenue. Additional revenue is generated on income from interest on money market accounts, lease agreements, and miscellaneous sources, such as grant reimbursements.

The following is a summary of the sources and assumptions used to forecast projected revenue for the FY2021 operational period:

Service Fee Revenue

- Wireless: Revenue from the wireless service fee is expected to generate \$11,343,486 in FY2021. This represents an increase of 1.26 percent, down three quarters of one percent from the growth rate experienced in the previous four fiscal years.
- Wireline: Service fee revenue generated from wireline service continues to decline at an accelerated rate as consumers opt to use wireless as their sole telecommunications source. Wireline revenue is anticipated to decrease by 14.62 percent to \$3,716,496, down \$543,362 when compared to the fiscal year 2020 budget.

Non-Service Fee Revenue

- Interest: Interest revenue on deposit and investment accounts is projected to decrease just over a half of percent to \$227,016 for this budget year due to anticipated lower rates of return resulting from the change in market conditions.
- Intergovernmental Revenue (Lease Agreements): Projected revenue from Data Center and Tenant Lease Agreements at Quarry Run is expected to increase from \$297,600 in FY2020 to \$447,922 in FY2021. This increase is attributed to a new multi-year agreement with the City of Corpus Christi for Data Center space to establish an inland disaster recovery site and a new tenant agreement with the City of San Antonio for office and operational space to support limited permanent staffing of Police and Fire emergency communications personnel to augment their respective 9-1-1 and dispatch operations at Brooks City Base.

- Federal 9-1-1 Grant: Grant distribution of \$123,000, sixty percent of Phase III and Phase IV component costs, for a multiyear Cyber Security audit and "red team" assessment on the 9-1-1 network.
- Transfer from Reserves: The FY2021 budget includes a transfer of \$225,000 from cash reserves to partially fund planned geospatial projects supporting Federal Communications Commission (FCC) mandated wireless Z-Axis (vertical) location requirements.

The current fee structure is adequate to support programmed expenditures in the proposed budget.

OPERATIONS & MAINTENANCE EXPENDITURES

The Operations and Maintenance (O&M) budget includes expenses for Personnel, Administration, Operations/Technology and Facility Services. Total O&M expenditures for the fiscal year are projected to increase by 4.76 percent to \$13,873,454.

PERSONNEL

Personnel expenditures include salary, Social Security and Medicare matching contributions, health care, and contributions to employee retirement accounts. The District's strategy is to attract and retain qualified individuals with the skill sets required to design, manage, and maintain Bexar Metro's specialized public safety critical networks and equipment. The FY2021 budget personnel line item will decrease by 3.92 percent to \$3,040,000 compared to the previous budget year. The FY2021 personnel line item includes a modest allocation for merit and incentives for skills-based certifications directly supporting job responsibilities.

OPERATIONS AND TECHNOLOGY

Operations and Technology (Operations) expenditures include recurring services directly related to the ongoing operations and maintenance of the 9-1-1 system and other mission critical systems, to include engineering services, contingency measures, management of geospatial and tabular databases used to route 9-1-1 calls, and training programs. Total expenditures for Operations and Technology projected to increase by just over five percent to \$8,383,746 in FY2021.

ESINet/Next Generation Core Services: In 2019, the district selected AT&T to provide Next Generation Core Services (NGCS) via interconnection to a highly available, fault tolerant, geographically diverse nationwide platform. The project, originally scheduled to launch in the

FY2020 budget cycle, was delayed due to changes in the project scope. AT&T and the district were able to finalize the changes earlier this year and a final service agreement was executed in late February. Several months of interconnection design, planning, and resource evaluation are required prior to the first phases of implementation and testing in second quarter FY2021. This transition from the current legacy digital 9-1-1 infrastructure to a feature-rich, IP-based Next Generation 9-1-1 (NG9-1-1) environment will not only eliminate the single point of failure within the current selective routing network, but will also provide enhanced on-demand geospatial routing of 9-1-1 calls utilizing the district's spatially accurate digital map.

Cyber and Network Security: In 2020, staff completed the first phase of a multi-year cyber security and protection project, partially funded by a Federal 9-1-1 Grant administered by the Commission on State Emergency Communications (CSEC). The first phase, in progress with an anticipated June completion, includes the creation of a Network Security Operations Center (NSOC) equipped with the tools necessary to quickly detect and mitigate security threats on both the 9-1-1 and Quarry Run networks. Creation of a cyber security policy and training curriculum for technical staff, end users, and ECC personnel is currently in progress. The second phase, planned for fourth (4th) quarter FY2021 post NGCS deployment, leverages the NSOC equipment and lessons learned through policy development to fully evaluate the vulnerability of the entire Next Generation 9-1-1 network, to include ESInet interconnectivity between the NGCS nationwide platform and the district's two Vesta 9-1-1 cores, connectivity to premise equipment located at each ECC, and all network elements supporting critical communications throughout the district.

Data Integrity/Geospatial Operations: Data Integrity/Geospatial Operations is tasked with ensuring the accuracy, reliability, and consistency of the tabular Master Street Address Guide (MSAG) and Geographic Information Systems (GIS) data. This includes the maintenance and technology-driven enhancements to our spatially accurate, high quality digital base map used by public safety to quickly help identify a caller's location and, in the Next Generation environment, route 9-1-1 calls to the appropriate ECC. This transition from legacy tabular routing requires additional feature sets and changes in processes to ensure data integrity is maintained throughout the transition life cycle. Moreover, continued evolution in technology and wireless accuracy mandates, such as recent changes in wireless vertical accuracy requirements, will require a new focus on elevations and indoor mapping. The Fifth Report and Order, adopted by the FCC in November 2019, requires wireless service providers to deploy z-axis technologies in the top twenty-five statistical areas by April 3, 2021. The San Antonio statistical area is twenty-fifth on the list of mandated deployments. A multi-faceted approach is required to address the technical, geospatial, and training requirements necessary for the telecommunicator to derive an accurate, dispatchable location based on the vertical data provided by the wireless carriers. The purchase of oblique aerial photography will facilitate identification of multi-story buildings and points of interest over three stories in height, with a focus on high-risk facilities, such as schools and other public venues, is included in the proposed budget.

Education and Training: The 9-1-1 telecommunicator is the first person on the scene of an emergency. Our goal is to ensure these first responders have the skills and tools required to expedite a quality response. The District's Education and Training Program continues to expand with additional classes on Texas Commission on Law Enforcement (TCOLE) mandated TCIC/NCIC, TLETS and Spanish for Telecommunicators. On average, forty (40) classroom-based training opportunities are offered annually at no cost to ECC personnel. Educational content includes instruction in Homeland Security, Emergency Medical Dispatch (EMD), Law Enforcement Communications, Fire Communications, School Violence, Family Violence, and Suicide Intervention. Instruction on Vesta 9-1-1 equipment and Regional Emergency Alert Network (REAN) operations are also offered. Scholarships are also extended to those telecommunicators unable to attend a district sponsored class due to scheduling constraints or a requirement for subject matter not offered in the district's curriculum. Overall, training contact

hours are up 58 percent to 6,187 hours when compared to program expansion in 2017. A budget increase of 6.54 percent is proposed to further increase training opportunities, with a focus on state-mandated cyber security awareness, human trafficking, and well-being seminars to combat the physical, mental, and emotional fatigue often experienced by ECC personnel.

FACILITIES

The Facilities budget includes costs associated with the maintenance of the district's Saddletree Court and Quarry Run facilities, to include utilities, infrastructure, grounds maintenance and other related services. The facility services budget is proposed to increase by 2.71 percent to \$1,778,706 in this budget cycle. The increase is partially attributed to increased custodial expenses resulting from expanded building tenancy at Quarry Run and a new facilities services maintenance contract to provide the district's Facility Services Department with 24x7x365 support in the management, oversight, and maintenance of critical power, water, and HVAC building systems.

CAPITAL EXPENDITURES

Capital expenditures in the amount of \$2,209,866 will underwrite the following mission critical and facility capital improvement projects in the upcoming fiscal year:

- **9-1-1 Network Core Upgrade:** Enhancement to the Vesta 9-1-1 core network architecture and host-to-host umbilical connections between the Vesta 9-1-1 control systems at Quarry Run and Brooks City Base. This initiative, Project Nexus, will not only provide a greater level of redundancy for our current network through the addition of a third, physically and logically diverse network, but also establishes the platform necessary to support the robust host-to-host network core required for the planned 9-1-1 system upgrade in 2025. While important in the near term to provide a third level of redundant connectivity between the two primary and secondary host systems, it also provides a tertiary level of diversity and redundancy supporting simultaneous, same core system 9-1-1 operations at Brooks City Base and Quarry Run for the San Antonio Police Department and the San Antonio Fire Department.
- **ECC Upgrades:** To combat the explosive growth in their respective jurisdictions, both the Guadalupe County Sheriff's Office and Comal County Sheriff's Office have building expansion projects underway to increase the operational space and capabilities of their ECCs. Funds are allocated for the installation of one additional Vesta 9-1-1 call-handling workstation at each location, plus installation of the power and data infrastructure required for on premise connectivity and interconnection to the district's 9-1-1 core network.
- **Catalyst Radio Expansion:** The project includes the placement of additional gateways and multiband (VHF, 700Mhz) radios at the respective Sheriff's Departments in Comal and Guadalupe Counties, expansion of current 800Mhz resources at the Hylions Tower Site, and reallocation of radio resources at Quarry Run. Collectively, these radio infrastructure and capacity upgrades will greatly enhance the district's ability to provide critical back-up public safety radio communications for any ECC required to relocate to Quarry Run in response to an emergent event adversely affecting their operations.
- **Saddletree Headquarters Remodel (Phase II):** Conversion of former training and operational areas at Saddletree Court to multi-use meeting space.
- **Quarry Run Regional Facility:** The Quarry Run Regional Operations Center will enter its fourth year of operations in June 2020. To ensure operational readiness and support of critical 9-1-1 data center, and building systems, two capital replacements are planned for this budget year. The battery bank on the building A-Side UPS will be replaced. The Facility Management System (FMS) monitoring critical power, HVAC, and other building systems will be upgraded as well.

- Vehicle Replacement: Funds to replace a 2014 general fleet vehicle with a comparable, equivalent-sized sports utility vehicle.
- Capital Reserves: Capital Reserve funds are encumbered for future projects and equipment purchases.
 - The FY2021 budget includes a transfer of \$1,250,000 to the capital reserve accounts.
 - These encumbered accounts are used to fund:
 - 9-1-1 network and call handling equipment upgrades and replacement
 - 9-1-1 network enhancements to improve redundancy and diversity
 - Facility mechanical and infrastructure upgrades
 - Information Technology (IT) equipment replacement
 - Due to the rapid evolution in public safety technologies and projected five (5) year life cycle of critical equipment, a major 9-1-1 equipment refresh, scheduled for FY2025, will require an estimated expenditure of \$14,500,000 from the capital reserve account.

SUMMARY

Legacy technologies have served Bexar Metro well over the past thirty-two years, but continued advancements in communications technologies to meet the public's expectation of summoning emergency assistance regardless of device type or technology requires Bexar Metro to keep abreast of advances in technology and ensure the 9-1-1 system evolves with, and in some cases is protected against, technological changes. This budget provides the resources necessary for Bexar Metro to provide a level of service not only expected – but deserved - by the citizens, participating jurisdictions, and ECCs served by the district.

The Fiscal Year 2021 Financial Plan and Budget, totaling \$16,083,320 is sufficient to fund all projected program expenditures for the fiscal year. The plan includes \$13,873,454 for Operations & Maintenance and \$2,209,866 for Capital Improvements. The figures presented reflect a net decrease of \$651,033, or 3.89 percent, in comparison to the Fiscal Year 2020 Adopted Budget.

This budget matches projected revenue and expense as required by Texas law. To ensure responsiveness and operational flexibility, the Executive Director may authorize the transfer of funds among budget line items if the overall annual budget amount remains unchanged.

We have received the annual TML Healthcare Cost Projections for FY 2021. Although you have not approved a budget for FY 2021 the new contract must be signed and returned to TML by July 7, 2020. The cost stated below will be reflected in the FY 2021 budget when presented to Council.

Healthcare that the City provides to each employee will increase by 9%. The FY 2021 annual cost will be \$7,444 per employee vs \$6,829 for the prior year, or an increase of \$615 annually per employee. The total annual increase of \$18,450 will be distributed as follows, \$14,606 to the General Fund and \$3,844 to the Water Fund.

Dental coverage will not have an increase for FY 2021. It will remain at an annual cost of \$342 per employee. Increases for Avesis (vision) and MetLife have not been received yet.

COVID-19

The Water Department is continuing to be vigilant to keep our staff and infrastructure safe from the spread of the Coronavirus. We are still cleaning facilities, vehicles, and equipment daily to ensure our staff and water system stay safe. Our team members have a positive outlook even as the number of cases rise in our area. We are keeping a close eye on the situation and can increase our continuity of operations if and when necessary.

memorandum

To: Garden Ridge City Council
From: Trihydro Corporation
cc: Ms. Nancy Cain, City Administrator, City of Garden Ridge
Date: June 19, 2020
Re: Engineering Report for July 2020 Council Meeting

1. FM 2252 TxDOT Project

- Trihydro is continuing to gather information about TxDOT design. Potential utility conflicts are being analyzed. Trihydro participated in TxDOT conference call meeting on 3/26/2020.
- We are coordinating “pothole” locates with TxDOT contractor on possible utility conflicts along FM 2252 ROW. Received partial “pothole” information from TxDOT on June 11.
- We are coordinating with TxDOT regarding sign relocation.
- Continue to work and coordinate with TxDOT regarding design, impacts, and conflicts.

2. FM 2252 Wastewater Project

- Trihydro continues to gather information about potential wastewater clients. Proposed system routing and line sizing are underway. Fifty (50%) plan design for WW lines A&B and RR Crossing are under City review. Proposed rates and tariff schedule development is ongoing.

Water Commission Recommendation and Possible Action

For City Council July 1, 2020

1. Request for water leak adjustment for **8323 Shining Elk** for the billing period of February 20, 2020 – March 23, 2020. (Joery Smittick)
 - a. Customer was not aware of a leak until they received the April 1st water bill. A plumber found a broken tee in the 1" main water line from the meter to house.
 - b. Per the laptop readings, the Water Department determined a 101k gallon leak over two billing periods of which 72k gallons were for Feb 20th – Mar 23rd billing period and 29k for the billing period of Mar 23rd – Apr 23rd. With the total water usage for Feb 20th – Mar 23rd, the leak was adjusted so that the customer consumption was at the 5k base rate.
 - c. The Water Commission recommends the Water Manager's proposal of a credit of **\$525.23** for approval by City Council. This is based on calculating the cost of water leaked at the lowest tier rate (see calculation below).

Leak from 2/27 to 3/23 => 617 gal/hr x 116 hours = 71,572 gals				
A	Water Bill (water portion only)	74k		\$ 603.10
B	Leak value at the lowest tier rate (\$2.74/kgal)	69k	\$ 189.06	
C	Customer Consumption at standard rates (5k minimum)	5k	\$ 25.00	
D	Paid by Customer (D=B+C)			\$ 214.06
E	Credit to Customer (E=A-D)			\$ 389.04

Leak from 3/23 to 4/1 => 209 gal/hr x 141 hours = 29,469 gals				
A	Water Bill (water portion only)	49k		\$ 290.70
B	Leak value at the lowest tier rate (\$2.74/kgal)	29k	\$ 79.46	
C	Customer Consumption at standard rates (5k minimum)	20k	\$ 75.05	
D	Paid by Customer (D=B+C)			\$ 154.51
E	Credit to Customer (E=A-D)			\$ 136.19

	Total Paid by Customer			\$ 368.57
	Total Credit to Customer			\$ 525.23

2. Request for water leak adjustment for **19099 FM 2252** for the billing period of February 20, 2020 – March 23, 2020 (First United Bank of Garden Ridge)
- First United Bank had a water leak in the main water to the building which they were not aware of until the exorbitant water bills were brought to their attention. Their water bills go to their corporate office in Durant, OK (see memo from Summer Robledo, Financial Center Manager dated 6/23/20). The bank's water usage history shows leak may have progressed over the last year.
 - A plumber found the leak to be deep underground and inaccessible without drilling through large chunks of concrete in the drive thru lanes. A new water line was installed between the water meter and the building in order to stop the leak as soon as possible.
 - Per the laptop readings, the Water Department determined a 431k gallon leak over two billing periods of which 420k gallons were for Feb 24th – Mar 23rd billing period and 11k for the billing period of Mar 23rd – Apr 23rd. No data is available prior to Feb 24th.
 - The Water Commission recommends the Water Manager's proposal of a credit of **\$6,726.42** for approval by City Council. This is based on calculating the cost of water leaked at the lowest tier rate (see calculation below).

Leak from 2/24 to 3/23 => 420,123 gals				
A	Water Bill (water portion only)	456k		\$8,018.96
B	Leak value at the lowest tier rate (\$2.74/k gal)	420k	\$1,150.80	
C	Customer Consumption at standard rates (5k minimum)	36k	\$ 171.23	
D	Paid by Customer (D=B+C)			\$1,322.03
E	Credit to Customer (E=A-D)			\$6,696.93

Leak from 3/24 to 4/1 => 11,498 gals				
A	Water Bill (water portion only)	30k		\$ 130.15
B	Leak value at the lowest tier rate (\$2.74/k gal)	11k	\$ 30.14	
C	Customer Consumption at standard rates (5k minimum)	19k	\$ 70.52	
D	Paid by Customer (D=B+C)			\$ 100.66
E	Credit to Customer (E=A-D)			\$ 29.49

	Total Paid by Customer			\$1,422.69
	Total Credit to Customer			\$6,726.42

3. Request for water leak adjustment for **21729 Forest Waters Circle** for the billing period of April 23, 2020 – May 21, 2020. (Sharon Stripling)

- a. Customer first noticed water on their front driveway on 5/17/20 just 2 days after additional sprinkler heads were installed. Irrigation company came out and found no leaks in the in the work they completed. American Leak Detection was then called out and they found a leak in main water line in the flower bed.
- b. Unable to get a plumber to repair the leak over the Memorial Day Holiday, the customer kept the water to the house shut-off and only opened it for 30 minutes to an hour a day to minimize the leakage.
- c. Per the laptop readings, the Water Department determined a 57k gallon leak from May 6th to May 18th.
- d. The Water Commission recommends the Water Manager's proposal of a credit of **\$581.97** for approval by City Council. This is based on calculating the cost of water leaked at the lowest tier rate (see calculation below).

Leak from 5/6 to 5/18 => 304 hours x 188 gals/hr = 57,152 gals				
A	Water Bill (water portion only)	92k		\$ 900.75
B	Leak value at the lowest tier rate (\$2.74/kgal)	57k	\$ 156.18	
C	Customer Consumption at standard rates (5k minimum)	35k	\$ 162.60	
D	Paid by Customer (D=B+C)			\$ 318.78
E	Credit to Customer (E=A-D)			\$ 581.97

Water Manager Review and Comments: At 8323 Shinning Elk we found a 101,000
gallon water leak over two billing periods. The leak has been repaired by Diamond Plumbing
and meets the criteria for a leak adjustment credit. The credit is \$525.23 which is over \$250
so I am referring it to the Water Commission.

WATER LEAK ADJUSTMENT REQUEST

To Be Completed By Customer

Name: First United Bank Phone: (210)651-5030
Address: 19099 FM 2252 Garden Ridge Billing Period: 02/20/20-03/23/20
Bill Amount: \$8121.48 Email Address: _____

Please explain circumstances of the higher bill: We had a water leak in the foundation of the building which we were not aware of until the City notified us of an exorbitant bill and water usage.

Do you suspect criminal activity? Circle: YES NO

If yes, please submit a copy of your Police Report.

What corrective measures/repairs have been made? Please provide documentation/receipts.

We immediately contacted Quarter Moon Plumbing to come out and inspect for the leak. They found the leak to be deep underground and inaccessible without drilling through large chunks of concrete in our drive thru lanes at a very high cost.

We had them cut the original line off and run completely new lines between the water main and the building in order to stop the leak as soon as possible.

What are you specifically requesting of the Water Department? We are requesting an adjustment to this water bill as the previous bill was already \$5000+ due to the undiscovered leak. We are requesting the maximum amount of adjustment allowed by the City of Garden Ridge to assist in offsetting some of the high costs of the repairs.

Water Manager Review and Comments: At 19099 FM 2252 we found 431,000
gallon leak over two billing periods that we were able to substantiate as a leak. The leak has
been repaired and meets the requirements for a water leak credit of \$6726.42. This is over the threshold
the Water Department is able to grant so it will be sent to the Water Commission to be reviewed

Work Performed:

WORK CONSISTED OF RUNNING A NEW TWO INCH MAIN WATER LINE FROM THE WATER METER, UNDER THE DRIVEWAY, THROUGH THE GROUND ON THE RIGHT SIDE OF THE DRIVEWAY, AND BACK UNDER THE DRIVEWAY TO THE BACK OF THE BUILDING. AFTER THE WATER LINE WAS REPLACED, THE WATER WAS TURNED ON AND CHECKED FOR LEAKS. NO LEAKS WERE FOUND AT THIS TIME. THE EXCAVATED AREAS WERE BACKFILLED, THE CONCRETE WAS RESTORED TO THE BEST OF OUR ABILITY, AND NO FURTHER WORK WAS PERFORMED AT THIS TIME.

Water Manager Review and Comments: At 21729 Forest Waters we found a 57,000 gallon leak from 5/6-5/18 that would result in a \$581.97 credit. The leak was repaired but the customer shut off the water to the house in order to not waste water. All paper work was turned in and should be considered for an adjustment.

Timeline for Main Water Line Leak at 21729 Forest Waters Circle

5/17/2020 First noticed water on front driveway. Thought due to additional sprinkler heads added on 5/15/2020.

5/18/2020 Contacted irrigation company to come out and check for possible leak associated with the addition of sprinkler heads. Could not come out until next day 5/19/2020 but suggested we shut off water to irrigation system at backflow, which we did. That evening water again appeared on driveway. Checked water meter which was spinning so shut off water to house as well at main shut off valve.

5/19/2020 Contacted Garden Ridge Water Department and laptop reading was done which suggested leak started possibly around 5/6/2020 per Jacob. Irrigation company came out and checked their work and found no leaks. American Leak Detection contacted per recommendation of Duane with Water Dept.

5/21/2020 American Leak Detection (ALD) came out and located leak in main line in front flower bed. No plumbers available to repair due to Memorial Day Holiday until 5/26/2020. Homeowner dug hole to try to expose pipe. Water to house remained shut off since evening of 5/18/2020 with exception of turning on once a day for 30 minutes to an hour. Water usage was continued like this until leak repaired on 5/27/2020.

5/22/2020 ALD out again to confirm location of leak and main water line was finally exposed in front flower bed.

5/27/2020 Main line repaired by ALD.

** Attached are 1) Appendix "F" Water Leak Adjustment Request for the City of Garden Ridge, 2) bills and report from American Leak Detection and 3) water bills from 4/23/2020 to 5/21/20, 3/23/2020 to 4/23/2020 and 4/22/2019 to 5/23/2019 to show normal usage for comparison.

Thank you for consideration of an adjustment to my water bill due to a main water line leak.

Confirm Repair Scope

Was the repair completed as per the Repair Estimate/Proposal

Yes

We dug and chipped huge rocks in the way of making repair and all around.

We cleared the area and saw a crack existing on the PVC 45 1" fitting. So made repair and tested and there were no more leaks or movement at the meter anymore.

We also put a little bit of sand to in the bed of the repair.

The homeowner said the sprinkler man would put more sand and back fill because they were going to need a lot of dirt and they will make repair on the existing sprinkler line done by the homeowner when then dug the repair a little in preparation for us.

Bio of Grand Marshal Charles “Chuck” Elia

Charles “Chuck” Elia was born and raised in Marshall, Texas. After graduating from Marshall High School, he went on to attend the North Texas Agriculture College (now the University of Texas at Arlington), and graduated in 1943 from Texas A&M with a Doctor of Veterinary Medicine Degree. Furthering his education, he attended the University of California, George Washington University, and Johns Hopkins University, graduating with a Master of Public Health Degree.

General Elia's professional assignments included: Consultant to the Greek Army; Deputy Director of Public Health and Welfare, and Veterinary Consultant to US Civil Affairs, Ryukyu Islands; Commandant, US Army Medical Department Veterinary School; Chief, Army Veterinarian to the 4th, 5th, and 6th Armies; and Chief, Veterinary Corps, Office of The Surgeon General. He is a Distinguished Diplomate of the American Board of Veterinary Public Health and a recipient of the Surgeon's General "A" Prefix. This award is only granted to those persons who have gained national recognition in their specialties and have acquired professional stature among their colleagues.

He was commissioned in the US Army in 1942 as a 2LT (Second Lieutenant) in the Medical Administration Corps, AUS-inactive, and retired from the Army in 1976 as Chief, Veterinary Corps. Upon retirement, BG (Brigadier General) Elia and his wife visited the San Antonio area many times looking for a home. They talked with many people including local area mayors and all suggested he take a look at the very young City of Garden Ridge, with an excellent Mayor (COL (Ret) Paul Davis, USAF) and low taxes. Mayor Davis told the Elia's if they purchased a lot, they would be the 180th and 181st residents in Garden Ridge. They became the 180th and 181st citizens of Garden Ridge in 1977 when they found a lot on a hill on Gloxinia Drive in a brand-new subdivision. The Elia's were very aware of the severe floods in the San Antonio area at that time; therefore, desired to live on a hill.

Upon retirement, Chuck held many positions with the City of Garden Ridge to include: Chairman, Planning and Zoning Commission; the revitalization of Paul Davis Park; Chairman, Water Board; Garden Ridge Veterinarian; member of the mobile security force; revitalization of City Hall; and more. He also volunteered to obtain financing and, along with many other volunteers, built the Army Medical Museum at Fort Sam Houston. In his "spare" time, he enjoyed a yearly fishing vacation to Alaska for 50 out of 51 years, as well as annual trips to South Dakota for pheasant hunting until the weather and pesticides intervened.

Chuck Elia continues his many volunteer activities including the Army Medical Museum, Men's Garden Club of San Antonio, Political Action Committees, the Lion's Club, and all things Aggie. He has been known to lose his voice while screaming support of his alma mater in front of the TV. He is looking forward to celebrating his 99th birthday in July of 2020.

**The citizens of the City of Garden Ridge
will forever be grateful for his contributions.**

PARADE STARTS AT 10AM!

Proclamation

WHEREAS, the Continental Congress, by unanimous vote, formally declared independence from Great Britain on July 4th, 1776, and designated the date as Independence Day; and

WHEREAS, it is important for all to know and understand the great struggles and sacrifices borne by our forefathers in the quest for independence and the trials and tribulations of all those who came before us and all those among us who strive to make this a more perfect union; and

WHEREAS, it is proper and fitting to come together on this momentous day to remember and celebrate the endless contributions of all who have created the greatest nation the world has ever seen but especially the contributions of a fellow resident of Garden Ridge.

NOW, THEREFORE, BE IT RESOLVED, that I, Larry Thompson, Mayor of Garden Ridge, Texas, call upon all citizens of Garden Ridge to honor the life of public service of Brigadier General Charles “Chuck” Elia, United States Army Retired by designating him as

Grand Marshal of the City of Garden Ridge 4th of July Parade

I call upon all citizens to join in the celebration of our nations’ birthday and commemoration of General Elia’s life of dedicated public service to our great country and our city.

I FURTHER, call upon all citizens of Garden Ridge to strive to ensure our city, state, and nation endure as a beacon of hope to all who cherish life, liberty, and the pursuit of happiness.

IN WITNESS WHEREOF, I hereunto set my hand and official seal of the City of the Garden Ridge this 4th day of July, 2020.

Larry Thompson
Mayor
